

Justapreacher Ministries

Preach the Word; be prepared in season and out of season; correct, rebuke and encourage—with great patience and careful instruction. - 2 Timothy 4:2

August / September

VOLUME 6, ISSUE 4

Slowing Down a Bit

AUGUST 6, 2010

Prayers and Praises

- *Praise God for keeping our family safe through all of the miles we covered this summer.*
- *Pray for God to fill Jim's schedule as He sees fit.*
- *Pray for our family as we get back into the home school routine.*

Slowing Down a Bit: This is good at times.

As you saw from our last newsletter, we have had a whirlwind summer of travels. We just finished 2,000 miles of air travel, over 3,000 miles of travel in our van, and just shy of 2,000 miles on a bus. The next two months will be considerably slower, and that is good. Our bodies need to rest and recharge once in a while. For the months of August and September, I will be preaching for Tony Kessinger at First Baptist Melbourne, FL in his Sunday school class as he travels overseas to train pastors. I will be filling in for him on 8/7, 8/15, 9/12, and 9/17, at 9:15am. I do have some available Sundays in August and September if your church or ministry is interested.

August the 24th I will begin teaching Hebrews in our Tuesday night Bible Study. This takes place every Tuesday that I am in town

at a local condominium clubhouse. If you are interested, please [contact us](#) for time and location information.

I also have the exciting privilege of leading a men's retreat in the Black Mountain area of North Carolina the 23rd of September through the 27th. This will be made up of men from 1st Baptist Merritt Island, FL, and men from Mountain View Baptist church in the North Carolina area.

We will be taking a family vacation on the 13th through the 18th of September at Ft. Wilderness Campground at Walt Disney World. Friends of ours have loaned us their 38 foot motor home for that week. We are truly looking forward to that week of camping. (We know some of you may not consider a 38 foot motor home camping, but we are not complaining.)

Slowing Down a Bit: This is not so good at times.

Another area that we have seen slowing down in this ministry is in the area of giving. Please know that we trust fully in God for His provision, and He has been providing for us in wonderful ways. As with most ministries, we too are seeing a slow down in monthly support. I always wrestle with whether or not to write about this need or not, but even the apostle Paul wrote about people's need to give to support the work of those sent by God to equip the church. So, if God puts it on your mind and heart to give to Justapreacher Ministries, it will be greatly appreciated at this time. Thank you always for your prayers. We are living in very interesting and exciting days. More and more people are realizing their need to look to God, and this is causing people to receive the message God has given me much more readily.

In Christ, Jim

Family Corner

A great blessing from this summer was all the time our family had together while we were traveling. The kids did great, and we made some great memories.

We especially enjoyed the Jubilation Student Choir Tour, which we went on with Nicole and Elise. (AJ spent the time with Becky's parents.) It was wonderful to do service projects along side our girls, and

witness the impact the group had on those around them.

The opportunities Jim had to preach at the Nashville Rescue Mission and the Men's State Prison in GA were unforgettable.

We spent some great time with family, and also got to see the Alamo and the Riverwalk in San Antonio, as well as go to Cedar Point!

The kids are already finishing their second week of school. AJ is a sixth grader, and Becky is teaching him all of his subjects. Elise is a ninth grader, and is taking a couple of online courses. Nicole is a Junior, and starts her BCC dual enrollment courses in a few weeks. Please pray that we will learn all that God has for us as we apply ourselves to learning this fall.

Many Thanks

to those of you who have contributed to
